

Airframer

A comprehensive cross-reference of

907 companies

1164 aircraft programs

Full report compiled from the Airframer database on May 3, 2024.

For the latest information, visit www.airframer.com

Sponsored by: CDI Products

CDI

PRODUCTS®

A Michelin Group Company

AEROSPACE & DEFENSE SEALING SOLUTIONS

Innovative sealing solutions that facilitate energy transfer, maintain fluid integrity, and exclude contaminants, ensuring components endure without wear.

- T-Seals
- Bearings
- Scrapers
- Piston Rings
- OptiSeal®
- Cap Seals
- Face Seals
- Backup Rings

INDUSTRY STANDARDS

The Society of Automotive Engineering (SAE) oversees the development and revision of numerous standards used in the aerospace industry (AS, AMS, ARP, AIR). CDI is an active participant and contributor to SAE work.

MATERIAL EXPERTISE

High-Performance Polymer and High-Temperature Graphite materials provide weight savings, insulation, tribological efficiencies, emissivity, and reliability.

MANUFACTURING QUALITY

Over 30 processes, including Injection and Compression Molding, Thermoplastic Extrusion, High-Quality Elastomer Molding, Tight Tolerance, and Precision CNC Machining.

All you need to know about sponsorship and subscription.

This Airframer Index is one of a series of daily-updated documents available to subscribers at the Airframer web site.

For a full list of the aircraft programs and industry categories currently published please visit the www.airframer.com home page. Subscriptions are available to individuals and to organisations wishing to provide site-wide access for all staff.

Note that the information contained in this index has been compiled from a variety of sources, and has not necessarily been confirmed by the aircraft manufacturer in every case. Please refer to our terms and conditions of use on the last page of this report.

Company index:

This list is sorted alphabetically by company name, and provides contact telephone and web address details. It also lists the aircraft types currently manufactured by the company.

Country index:

This page lists all the companies mentioned in this report alphabetically by country, and then by company name.

Argentina	Paradise Industria Aeronautica	CHRDI Chinese Helicopter Research & Development Institute	Cruiser Aircraft s.r.o. (was Czech Sport Aircraft a.s.)	Airbus Defence & Space Manching
Aeronautical University Institute (IUA)	Quasar	COMAC Commercial Aircraft Corporation of China, Ltd.	Direct Fly s.r.o.	Airial Robotics GmbH
Cicaré S.A.	Scoda Aeronautica	Duofu Aviation	Distar CZ a.s.	Alexander Schleicher GmbH & Co.
FAdeA S.A	SEAMAX Aircraft	EHang, Inc.	Dova Aircraft s.r.o.	APUS Zero Emission GmbH
Lavia Argentina S.A. (Laviasa)	Tupan	Guangzhou Automobile Group Co., Ltd. (GAC Group)	ellipse aéro s.r.o. (was A2 CZ, s.r.o.)	Aquila Aviation International GmbH
Proyecto Petrel	XMobots	Guanyi Aero	Evektor-Aerotechnik, a.s.	AutoFlight Europe
Australia	Bulgaria	Guizhou General Aircraft Company Ltd (GGAC)	Gryf Air	Autogyro GmbH
Ace VTOL Pty Ltd	Aeroplanes DAR Ltd.	Harbin Embraer Aircraft Industry Co., Ltd.	HpH Sailplanes	B&F Technik Vertriebs (FK-Aircraft)
Alauda Aeronautics	Dronamics	Helipeller	Jihlavan airplanes, s.r.o.	Breezer Aircraft GmbH & Co. KG
Amphibian Aerospace Industries, Pty Ltd (AAI)	Niki Rotor Aviation	HT Aero - Guangdong Huitian Aerospace Technology Co., Ltd	JMB Aircraft s.r.o.	Carplane GmbH
AMSL Aero Pty Ltd	Canada	Hunan Sunward Science & Technologies Company	Kubicek Aircraft s.r.o.	Comco Ikarus GmbH
Australian Aircraft Kits	Aviatech Group	Jiangsu A-Star Aviation Industry Co., Ltd.	LJAZ a.s.	Deutsche Aircraft GmbH
Boeing Aerostructures Australia	Avidrone Aerospace Incorporated	Jiangxi Hongdu Aviation Industry (Group) Corporation Ltd. (HAIC)	NA Design Company, Inc.	DG Aviation GmbH
Brumby Aircraft Australia Pty. Ltd.	Ballard Sport Aircraft Ltd	Jiucheng General Aircraft Design and Manufacturing (Dalian) Company Ltd.	Phoenix Air s.r.o.	DLR - German Aerospace Center
Carbonix	Bell Helicopter Textron (Canada)	JOUAV	PRAGA Avia	Dornier Aviation GmbH
CoaX Helicopters Limited	Bombardier Inc.	Liaoning Ruixiang General Aircraft Co., Ltd.	Primoco UAV	Dornier Seawings GmbH
Dante Aeronautical	Custom Flight Ltd.	LoongUAV	Pure Flight	e.SAT GmbH
Dovetail Electric Aviation Pty Ltd	De Havilland Aircraft of Canada Limited	MuYu Aero	Roko Airplanes sro	EDM aerotec GmbH
GippsAero Pty Ltd.	Diamond Aircraft Industries Inc.	Oxai Aircraft	Spacek s.r.o.	Elektra Solar GmbH
Hughes Group	Dream Aircraft Inc.	Pantuo Aviation	TechProAviation, s.r.o.	eMagic Aircraft GmbH
Hypersonix Launch Systems	Drone Delivery Canada Corp.	Quadrant Space (Tianjin) Technology Co., Ltd.	TL Ultralight s.r.o.	Eurofighter GmbH
Innovaero	Fisher Flying Products a Division of CKD. Aero	Shandong Bin Ao Aircraft Industries Co. Ltd.	UL-JIH Sedlaeck	EuroHawk GmbH
Jabiru Aircraft Pty Ltd.	Horizon Aircraft, Inc.	Shanghai Sikorsky Aircraft Company Limited	Wolfsberg Aircraft s.r.o. (was Wolfsberg Letecká Tovarna s.r.o.)	Extra Aircraft GmbH
Macchina Volantis	Icarus Aerospace	Shenzhen Sikorsky Aircraft Company Limited	Zlin Aircraft a.s.	FanJet Aviation GmbH
MX Aircraft	Lafamme Aero Inc. (was Lafamme Helicopters)	Shanghai TCab Technology Co., Ltd.	Zlin Aviation s.r.o.	Flaeming Air
Pegasus	Limosa Inc	Shenshen Tonghang International Aircraft Technology Group Company Ltd	ZURI	Flight Design GmbH
Praxis Labs	Murphy Aircraft Manufacturing Ltd.	Shijiazhuang Aircraft Industry Co. (SAIC)	Finland	FLUTR
Seeker Aviation Australia Pty. Ltd.	Norman Aviation International Inc.	Sichuan Dahua General Aircraft Manufacturing Company	Kelluu Airships	General Atomics AeroTec Systems GmbH
Serenity Aviation	Pegasus Imagery Ltd.	Sinoaustral Aviation Technology	Scandinavian Seaplanes	German Gyro Aviation GmbH
StopRotor Technology Pty Ltd	Solar Ship Inc.	Star UAV System Co., Ltd.	France	H2Fly GmbH
Swoop Aero	Space Engine Systems, Inc.	Sun Hawk (Henan) Aviation Industry Company Ltd	Aeroservices Guepard	H3 Grob Aircraft AG
TAG Aviation Pty Ltd	Stratodynamics Aviation Inc.	Vantage Airship Manufacture Co. Ltd.	Air Copter Sarl	Horten Aircraft GmbH
Textron Systems Australia (Aerosonde)	Tapanee Aviation Inc.	VerTaxi - Yufeng Future Flight Technology Co., Ltd.	Airbus Helicopters	Hybrid Airplane Technologies GmbH
Austria	The Sky Guys	Volant Aerotech	Airbus S.A.S.	JETcopter
CEA Design GmbH	Uniqopter Corporation	Volkswagen Group China	Airbus UpNext	JH Aircraft GmbH
CycloTech GmbH	Volatus Aerospace	Wolocopter (Chengdu) Technology Co. LTD.	Akkodis (was AKKA Technologies)	Kaiser Flugzeugbau GmbH

AIRFRAMER *index*

SUBSCRIBING

This Airframer Index is one of a series of documents derived from the online database at www.airframer.com. It is updated every day.

An expanding series of these index reports about key aircraft programs and about specific aerospace supply chain sectors are available.

Subscribers can access all of the reports, while all visitors can download the reports which have been sponsored.

An individual subscription can be ordered by credit card from www.airframer.com/subscribe_front.html. A company subscription provides access for a number of concurrent users within a specified internet IP address range. More details are available by contacting Stephen Campbell on +44 (0)1279 714512 or stephen@airframer.com.

UPDATING

To advise us of additions, updates or corrections to the data included in this Index, please contact our research team on +44 (0)1279 714517 or research@airframer.com.

ADVERTISING

For full details, follow the advertising link at www.airframer.com

Sponsor (*annual booking*)

PDF:

- Your name on the front cover of the sponsored Index
- Full-page advertisement on page two
- Your details highlighted wherever they appear throughout the whole Index series

Web:

- Banner on the sponsored Index page
- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

Enhanced entry (*annual booking*)

PDF:

- Your details highlighted wherever they appear throughout the whole Index series

Web:

- Logo, banner, photograph and text on your page
- Your company highlighted on relevant search results

To discuss advertising, please contact Bradley Wright on +44 (0)1279 714521 or brad@airframer.com.

Terms and conditions of use

The Airframer Index ("this Document") is a publication developed by Stansted News Limited ("SNL"). By downloading and reading the document you are deemed to have accepted these terms and conditions.

USE OF CONTENT: The services and information provided in this Document are for your personal, non commercial use only.

ACCURACY OF INFORMATION: Neither SNL nor any of its data providers or affiliates make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the information or the services for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded by law.

INDEMNITY: You irrevocably indemnify SNL and its data providers and affiliates

from and against any and all losses, damages and costs suffered or incurred by SNL, or any data providers or affiliates of whatsoever nature arising out of or in connection with your use, provision or distribution of information of any part of this Document or any part or otherwise howsoever arising in relation to any breach of these terms and conditions by you.

HYPERTEXT LINKS: This Document provides hypertext links to sites on the Internet which are operated by other people. SNL takes no responsibility for and gives no warranties, guarantees or representations in respect of linked sites.

INTELLECTUAL PROPERTY: All intellectual property rights (including copyright, patents, trade marks) whether registered or not in this Document shall remain the property of SNL and no customer or other person shall, or shall attempt to obtain any title to such rights. Information appearing in this Document is the copyright of SNL

and must not be reproduced in any medium without licence. Users are permitted to copy some material for their personal use as private individuals only. Users must not republish any part of the data either on a website, or in any other medium, print, electronic or otherwise, or as part of any commercial service without the prior written permission of SNL.

ADVERTISING AND SPONSORSHIP: Parts of this Document contain advertising and sponsorship. Advertisers and sponsors are responsible for ensuring that material submitted for inclusion in this Document complies with all legal and regulatory requirements and does not contain any material which is objectionable including, without limit, information which is defamatory, obscene, threatening or untrue. SNL will not be responsible for any such material or any error or inaccuracy in advertising material.

LIABILITY: Due to the number of sources from which this Document obtains content

and the nature of electronic distribution via the world wide web neither SNL nor any of its data providers nor affiliates shall have any liability (whether in contract or tort) for any losses, costs or damages resulting from or related to use of or inability to use any information contained in this Document or the provision of this Document to the fullest extent to which such liability may be excluded or avoided by law and in no event shall SNL be liable to you for lost profits or for indirect, incidental, special, punitive or consequential damages arising out of or in relation to the provision of information on this Document. SNL makes no warranty that this Document is free from infection by viruses or anything else that has contaminating or destructive properties.

JURISDICTION: These terms and conditions will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the English Courts.
